READ ME **FIRST**

Dear Friend,

Thank you for hiring me to speak to your organization. I guarantee that this will be one of the best investments that you will make for your organization. This is an investment you are making in your organization's future success.

With that in mind, I reiterate my pledge to you:

THIS WILL BE ONE OF YOUR BEST EVENTS EVER!

I know some people can be difficult to work with. Not me! I know you're busy. When you book me to speak, I want you to be able to relax, knowing that I have done all the work for you in advance. All you have to do is sit back and look like a HERO after the event (smile). And just to prove it to you, I have taken the time to provide all of the information you will need from promotion to payment. I've got your back (keep smiling).

A comfortable stay is essential to a great performance. For this reason, I have a strong preference for staying in a HILTON, MARRIOTT, SHERATON or HYATT family hotel.

Hopefully, this is just the beginning of a long-term relationship. When we debrief the event, I would love to discuss the potential of continuing the engagement, enthusiasm, and momentum through specific follow-up programs. For now, if you need anything, please call or email my team. We are on it!
